About the Lt. Amit Singh Memorial Foundation

(ISO 9001-2008 certified organization)

Lt. Amit Singh Memorial Foundation (ASM Foundation), since its inception, in 2001, has appreciably grown in its outreach and the spectrum of activities carried out to fulfill its commitments, within the ambit of its stated aims and objectives to develop a patriotic society, through education, secured health, economic development and inculcation of ethics and values among the masses, in general, and youth in particular. To begin with, the foundation started its activities with the distribution of books and school bags amongst the poor and needy children to support their education. Since 2009, the Foundation is organizing health camps to improve the health status of poor and needy; scientific exhibitions and workshops to disseminate the knowledge of newly developed technologies, particularly in the field of agriculture and horticulture, to empower the

farmers with up-to-date knowledge, and inspirational discourse by spiritual leaders to inculcate social ethics and values, especially among youth.

In its strive to achieve the aims and objectives, the Foundation organized the first Swadesh Prem Jagriti Sangosthi (SPJS-2009), a national level, mega event in, 2009, to commemorate the birthday of the Martyr Lt. Amit Singh, at his birth place, Mahamada, Pusa, Samastipur, Bihar. This Sangosthi, which included activities like inauguration of Smriti Bhawan, essay/elocution competition and talent search for students of schools and higher secondary schools from different states, health camps, national conference on horticulture, national exhibition, farmers quiz, distribution of quality seeds and planting materials of the agricultural and horticultural crops, diversity shows, litchi/mango eating competition and spiritual discourse to inculcate ethics and values. Since then Swadesh Prem Jagriti Sangosthi and conference are an annual function. The 2nd Swadesh Prem Jagriti Sangosthi (SPJS) and conference were organised at Bangalore in 2010. Subsequently, 3rd SPJS in 2011 was organised at Dehradun. The events was a great success. 4th Swadesh Prem Jagriti Sangosthi was organised from 27-31 May, 2012 at OUAT, Bhubaneswar, and 5th SPJS was organised on May 28-31, 2013, at JISL Jalgaon, Maharashtra. 6th SPJS was organized at NAU, Navsari and 7th SPJS was organised at Chitrakoot, Satna, Madhya Pradesh. The 8th SPJS was organized at JISL Jalgaon, Maharashtra and 9th SPJS was organized at JAU, Junagadh, Gujarat. Subsequently 10th SPJS was organized at DRPCA, Pusa, Samastipur, Bihar, 28th to 31st May, 2018 and 11th SPJS was organized at GBPUA&T, Pantnagar, Uttarakhand. Due to Covid-19, virtual 12th SPJS-2020 was organized from Dubai and SPJS-13 was organized at PJTSAU, Rajendranagar, Hyderabad, Telangana, from 16-19 September, 2021. Now the 14th SPJS -2022 and a National conference is scheduled to be organised at CSAUA&T, Kanpur, Uttar Pradesh.

You will agree with me that during the year despite Pandemic Covid-19, the Foundation took activities with New normal of digital approaches. The Foundation organised 12th Swadesh Prem Jagriti Sangosthi in the form of webinar entitled Post Pandemic (Covid-19) challenges and options in Agriculture including horticulture on 28th May, 2020, which was well attended from across the globe by more than 1000 delegates. The conference highlighted

the emerging issues, caused due to pandemic and discussed various options. The recommendations were communicated to all the stakeholder for action. The Foundation fed poor people and distributions food to large number on people 3rd September. Webinar was organised on production and utilisation of fruits. The ASM Foundation also supported webinar organised by CHAI and other organisations.

To inculcate the spirit of healthy and fair competitiveness and catalysing the minds of the people, to serve the society better, ASM Foundation has instituted many rewards and awards. The rewards include the cash prizes to the winners of national debates/elocution of National Talent search in Horticulture. Different awards instituted by the Foundation to recognise the outstanding contributions made by different personnels in their respective fields for the welfare of the society, at large include, **Amit Krishi Rishi Award, Amit Padma Jagriti Award, Amit Prabudh Manishi Award, Amit Swah Award, Amit Udyan Ratna Award, Amit Agrani Award, National Talent Award in Horticulture, Best All Rounder Awards** (for school students), and **Lt. Amit Singh Memorial Best Performing Centre of AICRP**. Amit Best student Award (JAU, Junagadh and DrYSRHU, Venkataramannagudem, West Godawari, AP.) The recipients of these awards are leading and distinguished educationists, corporate sectors, scientists, entrepreneurs, farmers, students and leading research institutes, which act as a great driving and inspirational force for the participants and stakeholders to work harder with full zeal in their respective fields, to be among the recipient of such awards. The activities of the Foundation carried, so far, have been very successful, as is evident from the impact on impressionable tender minds of youth to inculcate patriotism and building nationalistic fervour in them; economic empowerment of the poor farmers through innovative technologies and current knowledge disseminated through conferences and exhibitions on agriculture and horticulture.

The Foundation has expanded its activities over these years with its major focus on improving the health of children and empowerment of women. The emphasis is also given on improving the income of farmers through distribution of quality seeds and planting material, dissemination of modern technologies and techniques, knowledge and imparting training and awareness. The Foundation had also supported few meritorious economically poor student to pursue his Engineering, who has now joined the mainstream job. The Foundation brings out various publications on Topical issues for the benefit of people. The activities of ASM Foundation have been recognised by conferring Institutional Excellence Award-2016 reconstruction of Rural India through involvement of Youth in Agricultural transformation by AIASA, New Delhi. The Award carried a citation, Plaque of Honour and a Certificate was awarded by the Chief Guest, Honourable Minister of State for Agriculture farmer & welfare and MOS of Panchayati Raj, Shri Parshottam Bhai Rupala, on 20th Feb., 2017. During the year, in 2018 a Foundation stone was laid for the construction of Amit Gyan Sambardhan Kendra (ASK) and office cum training centre. This training centre and office was inaugurated on 21st April, 2019. The Training centre has been operational. During the year Amit Memorial Rural Institute for Transformation (AMRIT) have also been established.

From the Desk of the Chairman...

The year 2020 & 2021 were highly challenging, as whole world was challenged to save the life of people and contain the economic losses. The pandemic made us to think differently for our food, life style and working environment. Work from home, digital dialogues and conferences became new normal. In this scenario the ASM Foundation also organised many webinars but the physical conference, which was to be organised in the month of May, 2020 was postponed and organized on 16-19 September, 2021 at PJTSAU, Hyderabad with grace of God, things are becoming normal, thus we having this conference in physical term.

Inspired by the past efforts, the ASM Foundation organised the 13th Swadesh Prem Jagriti Sangosthi- 2031 (SPJS-2021), and Global Conference on Innovative Approaches for Enhancing Water Productivity in Agriculture including Horticulture, at PJTSAU, Rajendranagar, Hyderabad, from 16-19th September, 2021. The Sangosthi platform was shared by diverse group of stakeholders, such as farmers, extension workers, scientists, entrepreneurs, industrialists and policy planners, which facilitated an effective interaction. The participation of diverse group of people was the uniqueness of the Sangosthi, which benefitted large number of people including youth and farmers. Since proceeding year were critical and digital communication was new normal, due to pandemic (covid-19) the scheduled Physical conference was postponed and was organised during the year from 16-19 September, 2021. During the year Foundation is organising a National conference on Climate Resilient and Sustainable Development of Horticulture at CSAUA&T, Kanpur.

ASM foundation has also instituted many awards in various categories *viz.*, Amit Krishi Rishi Award, Amit Padma Jagriti Award, Amit Prabudh Manishi Award, Amit Swah Award, to confer on the achievers, who have contributed outstandingly to Indian Agriculture and have dedicated their service to Nation. Amit Udyan Ratan Award, Lt. Amit Singh Memorial Award for best Coordinating Centre of AICRP and National Elocution/ Essay Competition for school students have now become a regular phenomenon. I wish to congratulate all the recipients of the ASM Awards- 2022. I take this opportunity to express my sincere gratitude to all the staff, volunteers and well-wishers of the Foundation, who are incessantly working hard for achieving the objectives of the Foundation. I also congratulate all farmers/students/delegates/guests who have contributed significantly during the last SPJS- 2022, and owe the entire credit for our successful journey into 2022 and for helping in preparation for **National Conference on Climate Resilient and Sustainable Development of Horticulture**. I also express our gratitude to the Vice-Chancellor, Dr. D.R. Singh, CSAUA&T, Kanpur, Uttar Pradesh for hosting this National Conference.

I have a great pleasure in presenting to you ASM Award and Awardee book which contain a brief about the Awardee, also a list of past Awardee and guidelines for various awards . I am sure, you will find this book useful. I also compliment Dr. H.P. Singh, Founder and Chairman, CHAI and his team for the excellent work in compiling and editing this important book. I also thank all those, who have helped, directly or indirectly.in bringing out this book on time.

G. Trivedi
Chairman, ASM Foundation

Preface

Lt. Amit Singh Memorial (ASM) Foundation, committed to achieve its goal and mission, is carrying out various activities since its inception, in 2001. To achieve its objectives, the ASM Foundation has instituted ten awards in various categories and is committed to give impetus to the overall growth of the society. The Foundation recognize the outstanding contributions of the leaders in the development of agriculture and horticulture, through the science, technology and policies. To recognize the industry and its leaders, the Foundation confers awards to them. The ASM Foundation is also committed for the cause of farmers in India. It is leaving no stone unturned in taking lead for motivating farmers for overall development of agriculture/ horticulture at the national level. To recognize outstanding contributions for transforming

national agricultural scenario, awards like Amit Krishi Rishi, Amit Padam Jagriti and Amit Prabudh Manishi are given to distinguished agriculturists/horticulturists. Highly motivated innovative horticulture farmers, who are keen and receptive to learn advanced technique for technology led development and have displayed their competence by refining technologies to suit local conditions at district or state level, are conferred with Amit Udyan Ratna Award, to sustain the momentum of positive change and encourage other farmers. Amit Swah Award also recognises the distinguished services of the leaders in wellness of mankind.

Innovations have no hierarchical considerations and it may come out from a person of any age and position. In fact, many a time young brains generate more useful concept to solve the long lasting research problems, given an opportunity. To encourage intelligent brains and to develop path-breaking concept note of practical relevance, Amit Agrani Award was instituted for young scientists, up to the level of senior scientists, for their creative thinking and concept conceiving. Every small bit of contribution is important to secure national level success of mega projects, but very often these contributions remain unnoticed. The Foundation has also initiated Best Performing AICRP Coordinating Centre Award for AICRPs., H. S. Mehta Award, Instituted by Mehta Foundation is also conferred through the ASM Foundation, on the occasion of SPJS. This conference is 14th in the series. The topic is highly topical and important to address the issue.

I congratulate all the Awardee, in different categories, who are going to receive this vary prestigious award in recognition of their contributions in building nation through their commitments and dedications, I express my sincere gratitude to, all those who have worked very hard to compile and edit this book ASM Award and Awardee-2022 , especially Dr. H.P. Singh, and team. I am sure this book will be of a great use . Finally, I thank all those who worked hard to bring out this book.

ASM Awardees of the Year 2022

4.1 Amit Krishi Rishi Award-2022

4.1.1 DR. ASHOK DALWAI

Ashok Dalwai, as a member of the Indian Administrative Service, 1984 batch of the Odisha Cadre has served in different capacities at both field and policy formulation stages in the States of Odisha and Karnataka, as also in Government of India. His grass root level experience in serving in different backward and tribal pockets of Odisha, besides as District Collector of Kalahandi (Odisha) and Raichur (Karnataka); and in urban management, as Commissioner of Bangalore City Corporation brought him close in understanding of peoples' issues in both rural & urban settings. At the senior level, he has served as Secretary and Principal Secretary in the Departments of Industries, Steel, Mines and Textiles, besides holding various tenures as Chairman and Managing Director of Public Sector Undertakings, Research & Academic Institutions including the Government Medical College. He is the Founder-Chairman of Karnataka Sugar Institute, Belgaum which has now been named after the legendary Shri S. Nijalingappa. He has been serving Government of India since 2010. He is one of the initial members of Unique Identification Authority of India (UIDAI) team that rolled out bio-metric-based resident enrolment for Aadhaar. As Head of the Technology Centre of UIDAI, his role in building a robust technology platform has been well appreciated. Since 2015, he has been with the Ministry of Agriculture & Farmers' Welfare, Government of India. He is presently serving as Chief Executive Officer, National Rainfed Area Authority in the rank of Union Secretary. He has also been appointed as the Chairman of Commodities Derivative Advisory Committee (CDAC) by the Securities Exchange Bureau of India (SEBI), Mumbai and has been serving in this capacity since the year 2019. He has always focussed on effective delivery of services and on good governance. Some of the important contributions include the Ten-Year Perspective Plan on Land & Water Management for Kalahandi District, 1992-93 to 2001-02, first Agriculture Policy of the State of Odisha, first Textile Policy of Karnataka, Self-Assessment Scheme for assessment of Property Tax in the city of Bengaluru (which was subsequently adopted across the country), launch of Swachh Bengaluru - a new initiative in solid waste management, Participatory Irrigation Management, restructuring of State PSUs etc. For Government of India, he has drafted the

Model Agriculture Produce & Live Stock Marketing (Promotion & Facilitation) Act, 2017; Model Contract Farming & Services Act; and Guidelines for Gramin Rural Agriculture Markets (GrAMs) etc. In the recent years, he headed the Committee appointed by the Union Ministry of Rural Development to draft the 'New Generation Guidelines on Watershed and Spring-shed Development Projects, 2022', which have now been rolled out by Government of India for adoption across the country. He also chaired the Committee on electronic Negotiable Warehousing Receipt (eNWR) system for World Food Programme (WFP), as also for drafting the United Nations Food Security System (UNFSS), India Report 2021. He is now leading a committee on restructuring of Crop Insurance Scheme (PMFBY) for the Ministry of Agriculture. It is based on his recommendation that, the Directorate of Secondary Agriculture has been set up by Government of Karnataka, which is the first State to do so in the country. More importantly, as Chairman of the Inter-Ministerial Committee on Doubling Farmers' Income, he has submitted a fourteen-volume strategy with specific recommendations to the Government. The recommendations of the DFI Report, 2018 effect a paradigm shift in the agricultural sector by treating it as an enterprise and emphasise on income security & welfare of the farmers by adopting an ecosystem approach. He has now been tasked to oversee the implementation of the recommended strategy, in his capacity as the Chairman of the Empowered Body. Being a student of agricultural science - a post-graduate in Agricultural Economics and Ph.D. in Economics Dr Dalwai has always sustained his interest in academics and research. Has published several research papers and written general interest articles. He is a life time member of Indian Society of Agricultural Economics and Indian Society of Agricultural Marketing. He is an Honoured Fellow of the CHAI, He has lectured at several national & international fora. He has now been invited to be the Conference President for the 36th National Conference on Agricultural Marketing and deliver the key note address in November, 2022. His services have been well recognised by conferring many awards, to name the few are Best Outgoing Student, Col Dharwad, 1979, Best Sportsman of the year, National Police Academy, 1982, Identified as one of the ten most important persons in the State of Karnataka in a Times of India Survey, 2002, Distinguished Alumnus UAS, Bangalore, 2013, Honorary Doctorate of Science (D.Sc.), University of Agricultural Sciences, Dharwad, 2016, Honorary Doctorate of Literature (D. Lit.), Karnataka State Rural Development and Panchayat Raj University (KSRDPRU), 2021, Doctorate of Science (D.Sc.) by the Acharya N.G. Ranga Andhra Pradesh Agriculture University (ANGARU), Guntur, 2022, Honorary Doctorate of Science, OUAT, 2021, Honorary Professorship by Shobhit Institute of Engineering & Technology (Deemed to be University), Meerut 02.04.2022, Exemplary Thought Leadership Award' by ICE-Danfoss, 2018. K. K. Iya Memorial Oration by ICAR-NDRI for commendable contributions to Indian Society and Agriculture.! Honorary Fellowship by Confederation of Horticultural Association of India (CHAI) in 2019, Policy Leadership award , Indian Council of Food and Agriculture. Baroda Kisan Award, 2020 the Bank of Baroda . Currently, Dr Dalwai is providing leadership in agriculture and is committed to improve farm economy.

4.2. Amit Padma Jagriti Award-2022

4.2.1. Sahyadri Farmers' Producer Company Ltd. (SFPCCL)

Sahyadri farmers Producer Company Ltd., Nasik, headed by Mr. Vilas Shinde. (M. Tech Agriculture Engg.) as CEO & Managing Director, who hails from a small village Adgaon, Near Nashik. After completion of post-graduation, Mr Shinde experimented various agriculture and allied activities, and having observed and witnessed the critical challenges of agri- business closely, he initiated the formation of small farmers' group of 10 farmers, to take up grape exports in 2004. In 2010, he decided to constitutionalise grape exporting activity into a farmer community owned model and thus Sahyadri Farmers Producer Company was born with a vision to bring sustainability to farmers' income and provide best quality produce to consumers. To achieve the goal, the transparency has been brought across the value chains which ensures and maintains radically fair values throughout all the transactions. Mr Shinde believe that, scaling up cannot happen if short-term gains are focused, thus the company has long term gains for sustainability. To achieve the goals, Mr Vilas has been striving to bring efficiency and transparency across all relevant entities of the value chains, and also integrating commodity-specific value chains, with the help of technology interventions. In order to bring trust to their initiatives, Sahyadri is also pioneering Blockchain-powered solutions to take the fair practices to another level and keep track on traceability. Mr. Shinde is pioneering as MD of Sahyadri Farmers Producer Co. Ltd. and has exhibited a successful farmer owned & operated value chain model of the fruits & vegetables, grown by the Small & marginal farmers in Nashik, making their farming profitable & sustainable. A farm to fork integrated model, focusing productivity, quality, cost reduction, finance, post-harvest, logistics and marketing has helped to enhance efficiency at all the levels in the value chains and ultimately boosting farmer's income. The company has consolidated its position as one of the leading fresh fruits and vegetables exporter and processor, and is a leading grape exporter from India for the last 5 years, with export of 1500 container grape to Europe, Russia and Middle East. SFPCCL is also one of the largest tomato processors in India, manufacturing Kissan ketchup. Looking at the need for the direct consumer linkage for the Indian farmers, SFPCCL has ventured into its own retail chain for fruits, vegetables and processed products. Simultaneously, SFPCCL is expanding its footprint in the B2B sale of fruits and vegetables across India. Under the leadership of Mr. Vilas, SFPCCL is connected to more than 15000 farmers & 29960 acres + area under various crops and aims to reach 25000 + small & marginal farmers & over 50000 acres area in the coming period. In recognition of the company, Mr Shinde is contributing as member in Central Advisory Committee Member of Food Safety and Standards Authority of India (FSSAI) - (Ministry of Health & Family Welfare, Government of India.) State Agriculture Export Policy - Department of Co-Operation, Marketing and Textiles, Maharashtra.

4.4.10 Mr. Akshay Singh, Manda, Allahabad, Uttar Pradesh

Mr. Akshay Singh Manda. Born on 20TH February, 1985, Dr Akshay Singh is resident of Manda, Allahabad, Uttar Pradesh. He completed his Bachelor's degree from Amity University Noida in Travel and Tourism in 2008 & is doing banana farming in Balrampur district on his 25 acre land. He adopted farming by choice and has become example for many to adopt farming. He is often referred banana farmer. He is highly satisfied with his work of farming for perseverance, patience and positivity. Irrigation was the most critical and expensive labour operation. To cut running costs, he installed a drip irrigation system. Plant nutrients which were earlier sprinkled now are passed through the drip system. It took a year to learn to effectively operate the system.. Two consecutive years made him realize the critical importance of flowering at the right time. Now he is promoting this package of practices of fertigation with drip irrigation to other farmers of his area. He has earned faith of the farmer and they are also able to adopt this technology in their farms.

Address: Akshay Singh, Balrampur, Uttar Pradeshrea., Phone 7985854450
Email: :akshaysinghmanda@gmail.com

4.4.11 Mohd. Ateeq, Mohammadi, Lakhimpur, Uttar Pradesh

Mohd. Ateeq, Born on 28 May 1986 Mr Atteq, belongs to Mohamddi Lakhimpur, Uttar Pradesh. and has completed his MA and LLB from Rohilkhand University Bareilly in 2011. He is a well known advocate in Mohamddi district & is planting banana in his 30 acre . He got motivated to grow Tissue culture banana on his land in 2009. Since then, he is cultivating tissue culture banana. He has adopted drip irrigation & fertigation technology. Because of advice of Mohd. Ateeq, many farmers believed him and have started doing Banana farming. Now Mohmadi village is known for banana cultivation in the state. Advice of Mohd. Ateeq has been to manages to cold stress with Jain drip and fertigation.

Annexure-2

1. Amit Krish Rishi Award

Amit Krish Rishi Award has been instituted to recognise the world leader in the agricultural research and development, who has led the national agricultural horizon from the front. These personalities are known for their longer than life image for taking the frontier of agricultural knowledge and development to a newer height otherwise might not have been attained. Distinctively unique personality from public or government sector recommended by duly constituted search committee is conferred on this highly prestigious award on yearly basis during Swadesh Prem Jagriti Sangosthi.

- High power national level search committee is constituted.
- A national level consultation is undertaken on extraordinarily accomplished personality in the field of agriculture/horticulture research and development, entrepreneurial exceptionality and educational exemplary who has made the difference and provided the leadership in shaping Indian agriculture.
- One unique name is recommended unanimously to the Managing Trustee for Final approval.

2. Amit Padma Jagriti Award

Amit Padma Jagriti award has been instituted to recognise extra ordinary entrepreneurs in the field of Agricultural development in India, has immeasurably contributed by visionary entrepreneurship in professional manner. Contribution of these legendary personalities in modernising the fields of poor Indian farmer and improving the livelihood, as well as standard of living is in no way less important than government initiatives. Therefore, this award has been instituted to recognise the world class entrepreneurs, devoted for the cause of Indian agricultural and horticulture, and who has dared to take high level risk to take the national agricultural to a new firmament. Unparalleled leader entrepreneur of the era who brought technology led prosperity to the nation recommended by duly constituted search committee is conferred with this highly prestigious award on yearly basis during Swadesh Prem Jagriti Sangosthi.

- High power national level search committee is constituted.
- A national level consultation is undertaken on extraordinarily accomplished personality in the field of agriculture/horticulture entrepreneurial exceptional making a sea change in the livelihood of farmers by improving their income and having national impact.
- One unique name is recommended unanimously to the Managing trustee for final approval.

3. Amit Prabudh Manishi Award

Amit Prabudh Manishi Award is instituted to recognise exceptional contribution for world leader in the field of education particularly human resource development in agriculture and horticulture. Places of learning in the field of agriculture form the nucleus or centre of origin of all recent and advanced development in this field. This is not only the place where young goons are imparted with basic and advanced knowledge in their specialisation but are trained professionally which further impacts the scenario of national agriculture research and development. These knowledge generating rather worshipping centres have key responsibility to produce highly motivated and energetic human resources to lead the nation's agriculture at internationally competitive environment. Person in command of these centres has stupendous task not only to provide a very positive and motivated environment for healthy development but to train the young growing brains in a disciplined manner. There is imperative need to recognise the contribution of these educational leaders enormously as their devotion to the development of society is no manner less than high-level planner or entrepreneur. Therefore, a duly constituted high-level search committee in national consultation decides on uniquely distinguished educationist academicians human resource development for this award.

- High power national level search committee is constituted.
- A national level consultation is undertaken on extraordinarily accomplished personality in the field educational exemplary who has made the difference and provided the leadership in shaping educational system of agriculture and allied sector at national level.
- One unique name is recommended unanimously to the Managing Trustee for final approval.

4. Amit Swah Award

One of the objectives of the Foundation is secured health for the people. The foundation wishes for physical, mental and intellectual health which bring wellness to the people. Therefore, it is imperative to recognise the services of leaders who have made difference for the wellness of mankind. Amit Swah Award recognises the outstanding contribution and visionary approach for the total health of the

people. Unparallel leader in the field of wellness who brought revolution, is recommended by duly constituted search committee conferred with this prestigious award on early basis during the Swadesh Prem Jagriti Sangosthi. Based on national level consultation and recommendations of the committee, Board of Trustees approves for conferment of the award.

5. Udyan Ratan Award

Recognizing the contributions of farmers in the development of Agriculture/ Horticulture, which have hardly been noticed, Lt. Amit Singh Memorial Foundation instituted an annual award “Udyan Ratan” for inspiring the farmers for their innovations, adoption and dissemination of technologies. The award was constituted to recognize their outstanding contributions for exemplary farming, which is an attribute of a farmer in the area of horticulture/agriculture. Selection of farmers for Udyan Ratan from different corners of the country is a herculean task. Consequently, nominations are sought annually from SAUs, ICAR institutes, departments and from persons of repute.

India has taken big strides witnessing 8 times growth in horticultural production during the last 60 years. Besides, the technologies development by prestigious research institutes of ICAR, farmers too have played key roles in the refinement of technologies. This has led to the adoption of technologies resulting in the overall manifold growth of horticulture. Irrespective of their contributions, they have been rarely been recognized and appreciated for their extraordinary work.

The Foundation, in course of its movement, sincerely contemplated on this issue and made efforts to encompass progressive farmers who have deviated from the beaten track for faster growth of horticulture. In recognition of the contributions made by illustrious and innovative farmers, the ASM Foundation has instituted the “Udyan Ratan” award which is conferred on the farmers on the occasion of “Swadesh Prem Jagriti Sangoshthi” to provide them their deserved recognition. The award consists of a Plaque of Honour, a Citation and a Certificate.

Nomination: Person must be nominated by a responsible authority of his area like:

- Head of any agriculture/horticulture institute/university/research organization/state government department of agriculture/horticulture.
- President/Vice presidents of societies like Agriculture/Horticulture/related fields.
- Awardees of Padma Bhushan, Udyan Ratan or other reputed awards of the country.

Judging Criteria

The nominations shall be judged by the committee on the basis of contributions made by the farmer in the field of horticulture. Nominations received will be examined by committee comprising of distinguished personalities in the sector which shall be constituted by the Foundation for this purpose. Reviewed by the subsequent committee the decision of the jury shall be final. The successful farmers will be communicated well in advance and have to come and receive the award in person at the place notified by the foundation at their own cost.

General Guidelines

- Applicants must be a resident of India. Eligibility for award is limited to farmers, agricultural leaders and allies of the agricultural industry who have made outstanding contributions to horticulture and for the enhancement of the quality of rural life.
- A nominal entry fee in the form of Demand Draft in favour of Lt. Amit Singh Memorial Foundation payable at New Delhi.

- The submissions are welcome from throughout the country.
- The applicants must have derived a majority of their income from farming at least for the past ten years.
- The farmers awarded previously for this award, need not be nominated. However, farmers who have not been selected previously but were nominated can be re-nominated.
- The nominations should be forwarded by the Head of any Research Organization of ICAR, SAUs or State Horticulture/Agriculture development authority.
- Citations will be presented to the selected 25 award winners at the valedictory function of the Sangothi.
- Three copies of nominations with passport size photographs should be submitted.
- Adherence to the guidelines is important.

Lt. Amit Singh Memorial Award for Best Coordinating Centre of AICRP

This award was instituted to create competitiveness among the centres for All India Coordinated Research Project on vegetables from across the country. The main objective of this award is to improve the working of cooperating centres for quality output by motivating scientists with the feeling of involvement and encouragement as well as to increase competitiveness among centres. Annually, this award is being conferred to the best AICRP-VC centres, selected based on the criteria formulated by a committee in consultation with DDG (Hort.), ICAR and Project Coordinator (AICRP-VC) as a Member Secretary of the said committee. Contribution and performance of the centres is mostly judged on successful conduct of the trials, performance, publication, impact of the technology developed, budget utilization, timely submission of AUC etc. The award comprise of plaque of honour and a citation during the annual workshop of AICRP-Vegetable Crops.

Rules and Regulation

Every year, in the last week of December, a proforma (Annexure) is being circulated to all the AICRP-VC centres and invite their significant contributions and performance of the last ten years in general and during the year in particular. Contribution and performance of the centres comprising of conduct of the trials, performance, publication, impact of the technology developed, budget utilization, timely submission of AUC etc, which are the main component of criteria of the award. In the second week of January, a committee constituted by the DDG (Hort.) and Project Coordinator as Member Secretary, scrutinize the achievements/performance of the centres and submit the report to the DDG (Hort.) for approval. The name of the selected centre always keep confidential and it will be disclosed during the inaugural session of the AICRP-VC workshop and awarded to the representatives of the concerned centre by the Chief Guest of the function.

Proforma for ASM Foundation Award for Best AICRP (VC) Coordinating Centre

<i>S.No.</i>	<i>Particulars</i>	<i>Details</i>
1.	Name of the Institute :	
2.	Year of starting AICRP (VC) trials at your center:	
3.	Whether main center/ voluntary center/ sub center :	
4.	Number of staff involved with their designation for conduct of trials :	
5.	Number of trials allotted and conducted year wise for past five years :	
6.	Number of germplasm explorations conducted :	
7.	Total number of germplasm collected/ characterized/conserved through explorations :	
8.	Number of germplasm /breeding lines registered with NBPGR :	
9.	Name of technologies/ varieties/hybrids generated through AICRP (VC):	
10.	Number of varieties recommended/ notified through AICRP :	
11.	Breeder seed produced and area covered (impact of technology) :	
12.	Number of varieties/technologies used as national checks :	
13.	Present number of entries in different trials :	
14.	Number of varieties/lines protected with PPV and FRA :	
15.	Date of submission of monthly reports to the PC Cell. :	
16.	Date of Submission of seed/planting Material to the PC Cell. :	
17.	Date of Submission of annual reports to the PC Cell. :	
18.	Response to the PC Cell for the queries/ other information :	
19.	Budget utilization and submission of audit utilization certificate of last three years to the PC Cell.(Enclosed scan & xerox copies) :	
20.	List of publications related to AICRP(VC) trials/activities with reference of last five years :	

Note: If required annexure may be attached

Innovation For You

Mango with UHDP!

Ultra High Density Planting - means three times more mango yield,
on the same acreage, in just three years!

Yes, it is magic! It is JAIN TECHNOLOGY™!

The innovative UHDP method of mango cultivation with
PRECISION FARMING offers several advantages.

- Accommodates 674 plants per acre compared to 40 in traditional planting method
- Commercial yield in 3 yrs compared to 7-9 yrs in conventional planting, depending on the variety
 - Increases yield and profit up to 300%, making Mango farming remunerative
- Lower canopy enables - easy pruning and training, better disease & pest management, effortless & quick harvesting farm operations
 - Bears fruit every year • All varieties can be grown under UHDP

**This innovation ensures prosperity and sustainable use of
Water and Energy for Food Security.**

We continue to offer a variety of crop-cultivation methods, state-of-the-art irrigation technologies, agronomical advice, training & extension services and quality products from our 30 manufacturing plants and over 100 offices, including those in India, U.S., Israel and other locations spread over 5 continents.

Today, millions of happy farmers across the globe are enjoying inclusive growth and shared value created by our pioneering & sustainable solutions.

**There is always something better
for you at Jains!**
